Dear [REDACTED] 25X1A9a

We are returning Exhibit 59-4 to you. It was returned to us for verification of the total price of items numbered 1, 8, and 20. It appears these items were questioned because of "strike-overs" on the master copies. However, these "strike-overs" were corrected so that the copies reproduced from them were perfectly legible. These copies were attached to the masters when submitted to you.

While we shall endeavor at all times to submit master copies which contain no "strike-overs", we do feel it is not necessary to return the masters to us if the copies they produce are correct.

Very truly yours,
